KENT CLINIC SPARED CUTS

Despite painful cuts to health care services, I worked hard to successfully preserve **full funding** for the Pediatric Interim Care Center (PICC) in downtown Kent. The clinic cares for drug-addicted newborns at a substantial savings to taxpayers. Even in tough times, we need to provide life-saving care for the littlest and most vulnerable among us.

LEVY REPAIRS TO BENEFIT KENT RESIDENTS

A large number of homeowners and businesses in the Kent Valley may **not** have to purchase expensive flood insurance, thanks to \$10 million in funding provided by the Legislature to help repair part of the local Green River levy system. The funding addresses an urgent public safety issue for Kent and should help certify a key part of the levy system ahead of a required federal deadline.
